IPM awarded the title of Best Macro Fund

We are very happy to announce that IPM Informed Portfolio Management's Global TAA Fund was awarded the title best "Macro over \$1bn" by the magazine HFMWeek on May 26. HFMWeek's European Performance Awards are held annually in London and recognizes the industry's best and brightest. IPM's co-founder Anders Lindell was at hand to receive the prestigious award.

Earlier this year IPM was also voted "Hedge Fund Manager of the Year" at the Global Pensions Award Ceremony 2011, making this the second time in just a few months that IPM earns major recognition in the European financial sector.

"We couldn't be happier about the growing interest in IPM, and we are truly honored to be recognized by our peers in this way", says mr. Lindell.
